| Agenda Item  | 4.b) Consideration of sending changes regarding establishing an ordinance to prohibit items within 4 feet of pavement on the roads to allow for easier maintenance to the Ordinance Review Committee |            |              |
| Est. Cost    | N/A                                                                                                                                                                                                  |            |              |

## Background Information

The Public Works Director would like to make some changes by establishing an ordinance that would prohibit items within 4 feet of the pavement on the road to allow for easier maintenance and asks City Council to send this to the Ordinance Review Committee.

|                                    |                                                                                                                                                                                |
|------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Requested Action                   | 'I move to task the Ordinance Review Committee to establish an ordinance that would prohibit items within 4 feet of the pavement on the road to allow for easier maintenance.' |
| City Manager and/or Finance Review |                                                                                                                                                                                |
| Council Vote/ Action Taken         |                                                                                                                                                                                |
| Departmental Follow-Up             |                                                                                                                                                                                |
